

The Gromble's Guide to the Gruesome: How to Grovel for Grades

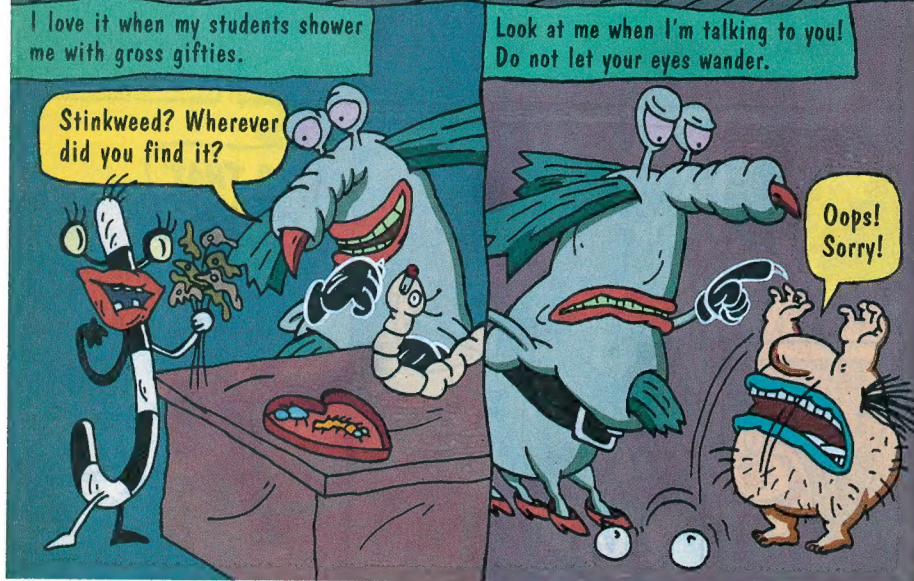

Attention, my sorry sacks of snivel! You may think that all you need to do to get good marks at the Monster Academy is to scare some pesky humans, but you better learn how to treat ME right, as well! If you don't, your grades will be as low as a slug's belly.

I love it when my students shower me with gross gifties.

Stinkweed? Wherever did you find it?

Look at me when I'm talking to you! Do not let your eyes wander.

Oops! Sorry!

Compliments are always appreciated.

Where did you get those big, beautiful, brown boils?

Always be ready to lend a hand.

I'll need it back by Thursday.

Take me to lunch and pick up the check.
(Don't get caught short of toenails!)

I'm sorry, sir.
You'll have to wash the dishes.

Can I lick them instead?

If you learn to please my putrid nature, there's no telling how far you can crawl up the ladder of success, my loathsome lovelies!
